COMPETENCY BASED LEARNING IN CBSE SCHOOLS

The NEP 2020 made some major alternatives to the existing education curriculum. It took a step to drift from an assessment system that is primarily centered around memorization and rote learning towards a more granular and formative form of assessment. It gave paramount importance to competency-based learning for the students...

WRITING A DEBATE USING VERBAL OR VISUAL INPUTS

CBSE introduced debate/article writing questions based on verbal/visual inputs in recent years. Usually, the prescribed word limit for debate writing questions in the CBSE class 12 English examination is about 150-200 words. The reason for providing the students with the input is as follows: It lays down general guidelines for...
